In order to satisfy the provisions of EC Section 8820, the local educational agency may certify to the requirements below by checking the box on Line A-1.

Chapter 5.1 (commencing with Section 8820) of Part 6 of Division 1 of Title 1 of the Education Code establishes The Arts and Music in Schools—Funding Guarantee and Accountability Act. As a condition of receipt of funds pursuant to this chapter, EC Section 8820(g) requires a local educational agency to annually certify to the following:

(1) All funds received will be used to provide arts education programs, except for up to 1 percent of funds which may be used for a local educational agency's administrative expenses, including indirect costs, to implement arts education programs. For local educational agencies with 500 or more pupils enrolled, at least 80 percent of funds to be expended will be used to employ certificated or classified employees to provide arts education program instruction, and the remaining funds will be used for training, supplies, materials, and arts educational partnership programs.

(2) Funds received will be used to supplement funding for arts education programs.

(3) No more than 1 percent of funds received will be used for a local educational agency's administrative expenses.

By checking this box, the submitting local educational agency certifies to meeting the requirements of EC Section 8820(g)(1) through (3), as outlined above.
